### New Turkish Plant Delivers TaeguTec Special Tools Quickly

TaeguTec recently connected Turkey and South Korea with the opening of a new manufacturing facility in the crossroads of both continents. The aim of the factory is to produce tight tolerance tools and deliver in a short amount of time. [Read More](#) | [Photo Gallery](#)

## PodCast

### Chase2Feed on TaeguTec Radio

Chase2Feed's cost effective four cutting edges offers exceptional performance advantages in facing, shouldering, straight ramping, helical ramping and cavity machining. Jay Lee, TaeguTec's milling product manager discusses. [Listen](#) | [VideoCast](#) | [Download MP3](#) | [Info](#)

## VIDEO NEWS

**BREATHING RIGHT** — TaeguTec was front and center at this year's EMO trade fair in Hannover, Germany from September 16-21, 2013, where the South Korean metalworking giant showcased its vast array of innovative tools that perform exceptionally well and help to cut cost. [WATCH THE REPORT ON TAEGUTEC TV](#)

## PICTURE OF THE MONTH

**ALL ABOARD** — In Germany, the train system's tracks form an elaborate spider web throughout the entire country to get passengers where they need to go at any time of day — the choices are numerous. *[Interesting Engineering]*

### ENGINEERING JOKE

**Joke Two**  
**(Because Two is Better Than One)**  
 "Normal people believe that if it ain't broke, don't fix it. Engineers believe that if it ain't broke, it doesn't have enough features yet."

## COOL STUFF

We scoured the internet & asked our panel of experts which site offers the coolest stuff because finding that special something can be a challenge.

### Two Sites Filled With Awesome Holiday Gifts for the Season

If you're struggling to find that special engineer on your shopping list that perfect gift, then check out this humorous and practical site filled with special gifts that he/she will love. [Visit Site](#)

If you couldn't find that special gift, then check out this stuff that lists a plethora of gift ideas for any guy/gal, so grab a mug, pull up a seat and get your holiday shopping done the right way. [Visit Site](#)
